

Memorandum

Ministry of Industry and Trade
Na Františku 32
110 15 Prague
Represented by Minister MUDr. Martin Kuba
("Ministry")

and

CZ.NIC, z.s.p.o.
Americká 23
120 00 Prague
Represented by Mgr. Ondřej Filip, MBA, Executive Director of the Association, on the basis of a
power of attorney ("CZ.NIC Association")

WHEREAS

- A. the Ministry is the successor organization of the Ministry of Informatics, with which the CZ.NIC Association signed a Memorandum on 21 April 2006;
- B. the Internet has become an essential part of the state's basic infrastructure and has a direct impact on the competitiveness of the Czech Republic;
- C. the Ministry and the CZ.NIC Association understand the importance of implementing a smooth transition to the IPv6 protocol as a further step for expanding domain name space, thus creating conditions for the expansion of the digital market in the Czech Republic;
- D. and the Ministry and the CZ.NIC Association are fully aware that the domain name system is a key component of communication infrastructure, both parties hereby state that the Memorandum concluded between the Czech Ministry of Informatics and the CZ.NIC Association shall remain valid and will remain the joint foundation for the expansion of cooperation between the two subjects.
